Spotlight: Bradley at Eastbrookend Country Park Tea Room
- This month, we're incredibly proud to shine the spotlight on Bradley, who has been doing a fantastic job during his placement at Eastbrookend Country Park Tea Room.
- Bradley has shown tremendous growth, enthusiasm, and dedication from day one. Whether he's preparing refreshments, keeping the space tidy, or welcoming customers with a smile, Bradley has become a valued and reliable member of the team. His friendly attitude and willingness to learn have made a real difference—not just to the daily running of the tea room, but also to the atmosphere for visitors.

"It's okay to need support—strength comes in asking."
Bradley.

- The staff at Eastbrookend have praised Bradley for his punctuality, politeness, and eagerness to take on new tasks. He has taken feedback on board and continues to grow in confidence each week. It's clear he takes pride in his work, and we couldn't be more impressed with the effort he puts into everything he does.
- Well done, Bradley—you're a brilliant ambassador for what supported internships are all about!
